Easter Footwear, Newest Styles, Latest Designs,
Greatest Comfort

Every man and woman who is particular to be in the height of fashion should inspect our Easter Footwear. Shoes are an important feature with the well dressed man or woman, and without correct shoes one cannot achieve this well dressed appearance.

The Hanan & Son shoe comprises the best features not only in styles, but the greatest comfort and durability will also be found. The styles are important to every one who cares to be correctly dressed, but most of us prefer style and the greatest comfort combined.

We have a full line of widths and sizes, enabling us to give every one their proper size, and for those who prefer style, comfort and durability in footwear we suggest that they inspect the merits of the Hanan & Son shoe.

For Men and Women

Slippers, Oxfords and Shoes, \$2.50 to 7.00

The proper fit is equally important for the boys and girls; an ill fitting shoe is never more annoying than to the young folks, who naturally, full of life, enjoy romping. Buy the Hanan & Son shoe and they will enjoy life and at the same time be correctly shod.

Slippers, Oxfords and Shoes \$1.00 to 3.50

Shoe Trees

Keep shoes in their proper shape. Have you noticed how the ordinary shoe when set aside dries out? The leather becomes greased, making the shoe both untidy and uncomfortable. The Hanan & Son shoe, manufactured of the best quality leather and with the greatest care, eliminates this to the greatest possible extent—with shoe trees, entirely.

THE KILTIES ARE COMING.

Well Known Musical Organization at Bisbee Opera House.

"The Kilties" Band, of Canada, had a very successful season last summer.

Although the "Kilties" Band proper is one of the leading musical organizations of today, it is not this feature alone that seems to appeal to the great mass of American amusement seekers. Musicians and music lovers would go far to hear perfect music, but it is the other novel features of the band, such as the large vocal choir, the Scottish dancers, the bagpipers, sword dancing, etc., that receives the bulk of the popular applause.

"The Kilties" will appear at the Bisbee Opera House on Sunday evening, March 27.
